General Disclosures Statements

We view transparency of our services as an important value and want to provide as full a disclosure as possible. None of the following professional connections are believed to create any inherent conflicts of interest, although if you or your attorney believe there might be a specific issue in your case created by these associations we want you to have that information up front. Please make sure to review Mr. Craig's CV as well for details on his work history, memberships in professional associations, co-presenters, and co-authors. This information is located at: <http://childreninthemiddle.com/about.htm>
