Parenting Facilitation Advisement Form

Cause Number: _____

Children's Names: _____

I, the undersigned client, understand that the court has appointed Bradley S. Craig, LMSW-IPR, CFLE, Client Services Director of Between Two Homes, LLC., to provide parenting facilitation services in regard to litigation pertaining to the above-named children. I understand the parenting facilitator is serving as an extension of the court. I further understand that the parenting facilitator has full discretion regarding program implementation as outlined in this document.

Parenting Facilitation services offered by Bradley Craig focus on reducing parental conflict in order to enhance the children's emotional functioning and facilitate shared parenting. I understand Mr. Craig's parenting facilitation process uses an education based model utilizing Bradley S. Craig, LMSW-IPR, CFLE serving as the parenting facilitator and at times a communication coach may be involved. Other staff or contractors may be involved in the parenting facilitation services and are considered part of the parenting facilitation process.

A parenting facilitator is a neutral person to whom parents can turn when in dispute on matters relating to the children. The parenting facilitator will examine a case and follow the orders of the court to assist the parents in compliance with the orders. The parenting facilitator may also assist the parents in enhancing their coparenting relationship. The parenting facilitator may contract with other professionals, such as a communication coach, who will attend sessions with the parents and provide additional support. The communication coach monitors communications, assists during meetings, implements and reviews homework, may lead meetings, and may manage cases when the parenting facilitator is not available.

Parenting facilitation is an attempt to coordinate and implement a coparenting plan that addresses current and future issues related to raising children between two homes. The role of the parenting facilitator is to help parents reach successful resolution of disagreements regarding parenting issues themselves. If authorized to do so by court order, the parenting facilitator may also make recommendations (other than those related to possession, custody, or access to a child) for the parents in the event the parents are unable to agree on solutions. Parenting facilitation does not involve adult's property, finances, or other issues that do not directly involve coparenting.

Mr. Craig's process involves the parents meeting together with Mr. Craig in joint sessions.

Intake

In order to begin services with families, the following must be on file for each adult:

1. a fully completed data form including fax or e-mail addresses for professionals
2. a fully completed intake form
3. a copy of the court order
4. attorney release form with all attorneys of record listed
5. mental health professional release form
6. medical release form
7. a consent for teleservices
8. a non-modified signed copy of this advisement form with my initials on each page
9. a \$600.00 retainer

Assuming the Parenting Facilitator agrees to accept the referral, additional information may be required depending on the order of the Court.

After a case has been accepted for services parents or their lawyers must then provide any unaltered pertinent reports in electronic format via fax or e-mail. These may include additional intake information, affidavit material, records regarding either parent, records regarding the children, correspondence, reports, prior assessments, etc. These may be reviewed by the Parenting Facilitator prior to setting meetings and charged to the parties.

Meetings

Most, if not all, meetings will be held with both parents. Depending on the specific role establish in the order of the court, the Parenting Facilitator may have joint sessions with the parents, individual sessions with one or both of the parents, sessions involving other relevant family members, meetings with the children, consultation with other family service providers, and home visits as necessary. Occasionally, meetings may take place with other professionals such as the attorneys, school staff, counselors, or other professionals or paraprofessionals. Generally, meetings occur weekly during the initial period of services with the goal to eventually wean families off the need for services all together.

Unless prohibited by the court order, the Parenting Facilitator is authorized to interview the child(ren) privately in order to ascertain the child's needs as to the issues. In conducting such an interview, the Parenting Facilitator will not encourage or facilitate the child choosing between the parents, but may encourage the child to understand they live in two homes.

During meetings with the parents or other relatives the parenting facilitator may provide education about coparenting, communication, and child development. The parenting facilitator may provide training for the parents on how to better communicate with each other and their children, and may refer the parents to other professionals for additional services. No electronic/ recordings are allowed during meetings with the parenting facilitator without the consent of all parties. After each meeting a session summary is provided to the parents generally within one to two business weekdays after the session. Parents are to review the session summary and, if any corrections are needed, respond to the parenting facilitator at

no cost within 48 hours of receipt if changes need to be made or the summary stands as the coparenting plan of action. Parents are encouraged to submit each summary to their attorney.

Between live sessions the parenting facilitator and/or communication coach review communications between the parents through ourfamilywizard.com at no cost. Parents are charged for online sessions of the parenting facilitator and communication coach responding to a parent or both parents when they do not follow the [guidelines for e-mail communication](#) or [rules for coparenting](#), or in rendering other services as set forth in the parenting facilitation order.

Between sessions parents may be expected to complete homework. Homework is then reviewed by the parenting facilitator and/or communication coach for follow up.

Telephone Contact

All telephone contact initiated by the parents to the parenting facilitator, communications coach, or staff/contractors of the parenting facilitation process will be limited to a call if a parent is running late for session or last minute is unable to attend a session. All other calls to the parenting facilitator by a parent (or other persons associate with that parent) will not be returned and messages left will incur the charges to that parent of transcription detailed under parental financial obligations. Communications outside scheduled sessions occur in writing via ourfamilywizard.com, email, fax, scan, or mail.

Confidentiality

By the way of a release, all mental health professionals, judicial staff, attorneys, ad litems, visitation supervisors, medical professionals, child care providers, educators, day cares, and significant others involved, and previous or current custody evaluators are authorized to disclose information directly to the Parenting Facilitator. In turn, the Parenting Facilitator is authorized to discuss significant information with these individuals or service providers in order to assist in the process.

No electronic/tape recordings are allowed during meetings with the parenting facilitator without the consent of all parties.

The Parenting Facilitator is **required to report** certain matters, such as incidents of **child abuse or threats of physical violence**. Confidentiality does not extend to these matters.

Emergencies

Parenting Facilitation is not an emergency service. If an emergency occurs during the time families are receiving Parenting Facilitation services the parents are to call 911 or other crisis intervention services.

Disruption

Parenting facilitation may be initiated where there have been allegations (confirmed or

otherwise) of violence or threats of violence. While appropriate precautions will be taken to ensure the safety of participants a guaranty that no harm will occur is neither stated nor implied. Special arrangements may be made to allow for increased security, such as changing arrival times if there is a Protective Order in place and a request by either parent.

I understand and acknowledge that the outcome of this process may or may not favor my position or be something that I am in agreement with. I understand that complaints regarding conclusions and recommendations in this process must be directed to the court, as the licensing board handles only complaints regarding violation of licensing rules and regulations.

I understand that in the event of Mr. Craig's death, incapacity, or termination of practice, custody and control of records maintained by Mr. Craig will be turned over to Aaron Robb, M. Ed., NCC, LPC-S, or other individual upon the death or unavailability of Mr. Robb.

Process Regarding Complaints

The parents shall direct any disagreements regarding the children to the parenting facilitator before seeking court action, unless a child's safety is jeopardized. Any concerns or complaints regarding the parenting facilitator or the parenting facilitation process should be addressed to the parenting facilitator in writing.

If either parent is dissatisfied with the performance of the Parenting Facilitator they may request that the court terminate services or appoint another Parenting Facilitator.

Termination of Services

The Parenting Facilitator reserves the right to suspend services or withdraw from the role as Parenting Facilitator should he feel that effective change is no longer occurring. The parents and their respective attorneys will be given notice of the decision to withdraw. Names of trained professionals competent to assume the role of Parenting Facilitator may be provided to both parents upon request. The Parenting Facilitator may elect to continue to act as Parenting Facilitator until such a time as a smooth transition has been achieved to the new Parenting

Facilitator.

Parental Financial Obligations

The rate for Parenting Facilitation services is \$200.00 per hour rounded up to the nearest 15 minute increment. This includes all services of the Parenting Facilitator and/or Coach including reviewing documentation, records management, meetings, correspondences, phone contact, e-mail, court time, reports, legal expenses, consultation with other professionals, deliberation, and issuance of recommendations when parents are unable to resolve issues themselves if authorized by the court.

With the exception of individual sessions or individual training in person or in writing, charges for the service will be equally divided between the parents. Fees for phone calls and written communications specific to that parent will be billed to the parent who initiates the call or necessitates the written communication from the Parenting Facilitator. This applies unless the parenting facilitator is provided with a copy of a current order that states otherwise, or if the parenting facilitator determines that one of the parties is disproportionately utilizing service time, in which case the party disproportionately utilizing service time will be billed based on time used. This determination is solely at the Parenting Facilitator's discretion.

With the exception of the initial retainer, payments for services may be made with cash, check, PayPal, credit/debit, or money order and are expected to be paid at the end of each session or on the day of receipt of an invoice. Checks should be made out to Bradley Craig. There is a \$35 returned check fee per returned check.

Returned checks will be charged the maximum fee allowable under law.

If either parent must cancel a session, it must be done in writing within 48 weekday business hours of the scheduled appointment. Business hours are defined as weekday business, non-holiday hours, Monday through Friday, 9:00 a.m. to 5:00 p.m. Arriving after 15 minutes of the scheduled meeting beginning time will be considered a cancellation. Cancellations of any appointment with less than 48 weekday (Monday through Friday, excluding holidays) hours notice will result in the canceling party being billed the entire service fee. Payment for the canceled session is to be made upon receipt of invoice. Payment for the canceled session will be paid by the parent who did not cancel on time, was late, or did not attend and will be for the entire session fee for the duration the session was scheduled. If a parent leaves a session early the remainder of the time for that session will be charged to that parent. If the Order to participate in parenting facilitation services stipulates that only one parent be financially responsible and the other parent cancels without the 48 weekday business hours of the scheduled appointment notice, the canceling parent is still responsible for that charge.

Retainer: A retainer equal to three (3) hours of service, or \$600.00, is due in advance from each of the parties. Each parent must maintain a retainer of \$400.00 as long as services are active. If one party is ordered to pay for all costs of services they will also need to pay \$12,00.00 for both parties and maintain a retainer of \$800.00. Payment for the initial retainer may only be made by check or money order made payable to "Between Two Homes"; no electronic payments are accepted. Services will be charged against the retainer provided that the parties continue to fully replenish the retainer when billed. If a party is late in replenishing

the retainer services may be suspended until such time as the retainer is replenished. Should services no longer be needed, refunds will be issued only if there is remaining retainer on account for the case, and then only up to the amount of retainer on account. Should one side fail to provide full payment issues of reimbursement will be charged to that individual for all attempts to seek compensation including written notices and legal fees.

Other costs: Each of the parties is responsible for any fees for production of third party records or other information related to services. Costs for copying of records by the Parenting Facilitator and other administrative costs will be deducted from the retainer. Copies of records produced by Between Two Homes, LLC. are billed at the same fee as charged by the District Clerk's office. Time in administrative tasks, including correspondence to parties, attorneys, or reports to the court, is billed at the parenting facilitator's standard hourly fee.
